Grammar is a set of rules and guidelines to help use language correctly. If students want to express themselves well, they have to know how to handle the tools of language.....*grammar*.

Noun - Word used for naming a person, animal, place or thing. (e.g. Henry, rat, Greenbushes, chair)

Grammar helps with:

1. **Jobs** - If you apply for a job sending a letter which is full of grammatical mistakes, the employer will give preference to someone with the same qualifications who has expressed himself correctly.
2. **Letters and communications** - You may want to write or speak to someone in authority to explain a situation or to complain. You need to know how to express yourself clearly and accurately.
3. **Creative writing** - In the future you may want to write a poem, a short story, or a book. You will need good grammatical skills if you want it to be published. Most famous writers base their creative talents on grammatical rules.

Outcomes:
