

### *Teacher's Note - Vocations*

- It is recommended students use a concise dictionary like 'Collins English Dictionary' or equivalent.

#### *Answers:*

1. ethnomusicology - study of music of different cultures
2. phonology - study of sound system of a language
3. philology - study of literature
4. lithology - study of rocks
5. anthropology - study of man
6. pharmacology - study of drugs
7. astronomy - study of individual celestial bodies and the universe (excluding the earth)

#### *Suggested Activities:*

- ❖ Students choose one of the above vocations, research and write an essay.
- ❖ Visit: <http://www.teachingtreasures.com.au/jhpoetry.htm> and discuss that some people are poets. This can be a vocation but often poetry is written as a hobby and for pleasure.

**Task: Looking at specialized vocations**  
**Learning Area: English reading, writing**  
**Linking Learning Area: Science. SOSE**
