

The Barn Owl

Fill in the missing words

owls **birds** **mice**

There are many species of barn

They are of prey and come out at night.

They like to eat

Draw three mice in the box to feed this barn owl.

A large rectangular box with a thin black border. In the top-left corner of the box, there is a smaller version of the barn owl illustration from the top of the page. The rest of the box is empty, intended for drawing three mice.
